Grant Marie

ESTATE BOTTLED WINES

Wine Club

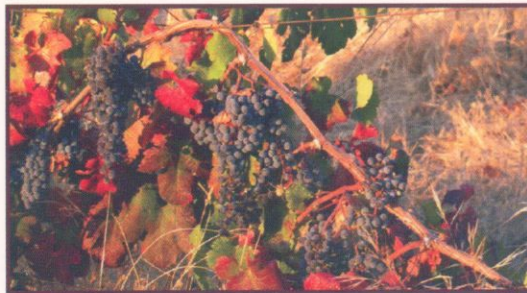

Grant & Marie Vineyard and Winery

The wines made by Grant and Marie Ramey are estate grown from 40 year old vines, grown at elevations from 1850 to 2250 ft. on red, rocky terroir in the Sierra foothills at Oregon House, California.

We are a small winery producing around 1000 cases per year. Our Cabernet, Merlot, Syrah, Grenache and Port have received Gold medals at the State Fair and the SF Chronicle Wine Competitions.

Our tasting room is open on Sundays by appointment only from 12-5pm (Except during harvest).

You are welcome to come and taste our award winning wines!
